Community Helpers

Meet Mira and Her Busy Town!

Good morning! My name is **Mira**. I live in a small, happy town. Every day, I see many people working hard to make our town a nice and safe place. We call them **Community Helpers**!

A "Community Helper" is any person who helps **everyone** in our town — not just their own family. Today, come with me and meet my helper friends!

Remember this easy trick!

The Helper Song

Doctors heal us when we're sick,
Firefighters help us quick!
Police keep our town so right,
Farmers grow food, green and bright.

Teachers teach us ABC,
Postman brings a note for me.
Helpers work both near and far,
Thank you, helpers, you're a **STAR**!

Mira Wants to Know...

1. Who helps you when you are sick?
2. Who keeps our streets clean?
3. Who teaches you new things every day?
4. Can YOU think of one more community helper?

Mira says: "**Every helper is important. Let's always say THANK YOU to our community helpers!**"
